LETTER REGARDING PATENT TERM ADJUSTMENT CALCULATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

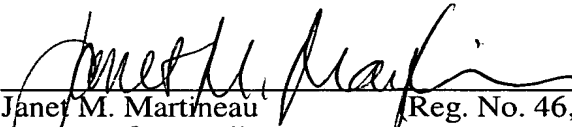

Sir:

Upon reviewing the "Determination of Patent Term Adjustment under 35 U.S.C. 1.54(b)" ("Determination") for the above-identified application, Applicants noted that there appears to be an error in calculation of the patent term adjustment. The Determination indicates that the patent term adjustment as of November 5, 2003 is 274 days. Applicants believe the term adjustment to be longer than appropriate and requests that the Patent and Trademark Office review its records to recalculate the patent term adjustment.

Applicants believe that any duty to disclose the error in calculation to the Patent and Trademark Office has been satisfied by the above.

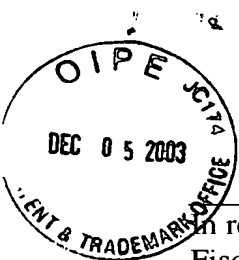

Respectfully submitted,

Date: December 5, 2003
